KINGDOM KIDS

- Our new series called, "The New Normal, Taking Our Relationship with God to a Higher Level" will begin June 22nd. What we consider "normal" is different depending on where we are, and who we are with. What is normal in one place, with one group, would be weird somewhere else. Normal changes. Satan's goal is to make SIN "normal." by convincing people that "if enough people are doing it, we can't call it wrong"...instead, it's just "normal." God is calling us to live in "The NEW Normal" of His power and grace!
